

LADYWOOD SCHOOL

MAY 2024 NEWSLETTER

Dear Parents and Carers,

We have had a lovely start to the Summer Term. Last week our year 6 children went on their residential trip to Bendrigg, which the children (and staff) thoroughly enjoyed. They took part in lots of fun activities such as canoeing, wall climbing and campfires. The 'Believe and Achieve' attitude of the children was amazing – well done everyone! I would also like to thank the staff who freely gave up their own time to make this trip possible.

I would also like to say a huge well done and thank you to Sam Pickervance, Sam completed the London Marathon raising funds for Ladywood.

Once again we have a fun packed term and are planning many exciting activities for your children.

Thank you for your continued support.

Susan and everyone at Ladywood

Bendrigg

Bendrigg Residential Trip 2024:

On 22-26 April, 29 of our Year 6's went to Bendrigg Trust in Cumbria for a 2 night residential trip. The children were wonderful ambassadors for Ladywood and were so brave trying lots of new and exciting activities. Everyone had the opportunity to try indoor caving, wall climbing, abseiling, canoeing, archery, cooking marshmallows on the campfire and enjoying the wonderful facilities and scenery of the Lake District. Thank you to all the parents that entrusted us with your child, every single one of them had the happiest of times with their friends and were visibly proud of themselves.

Wellbeing:

We started our Summer Term with a live saxophonist concert at Ladywood. It was very special to see how much our children enjoyed the performance and had an opportunity to play their own saxophones with the musician. Ladywood pupils love music and having a musician play live for them was a wonderful opportunity to enhance their personal development offer. We will definitely be having this musician back to visit at school!

Friends of Ladywood

What is FOL?

Friends of Ladywood are a group of parents/carers (who wish to have a more involved role in school) and staff, that get together regularly to discuss and plan upcoming fundraising events.

When do we meet?

We meet once every half term.

What if I cannot commit to attend every meeting?

Do not worry if you cannot attend every meeting, we understand that parents and carers will have a busy home life also. We will keep in regular contact with you over email to inform you of any outcomes and future meetings you may be able to attend.

What does it involve?

Online Payments

We have now moved to School Gateway with regards to the payment of school meals, snack and a way in which we can communicate with parents.

Please see the guidance below on how to sign up to School Gateway.

It is essential that parents sign up for School Gateway so that you will continue to receive information from school such as school closures due to bad weather etc. We will no longer be using Teachers2Parents as a form of communicating.

If you are struggling to sign up please feel free telephone the school's office for guidance over the phone.

Attendance/Leave of Absence

As part of new guidance and monitoring of pupil attendance from the Department of Education, a Leave of Absence form needs to be completed 4 weeks prior to an event, due to authorisation from the Head Teacher.

Parents will need to provide as much information as possible before sending in the form. As a parent, you may wish to take your child, out of school, on holiday in less busier times, to benefit from quieter facilities. Please can you put this level of detail in the Leave of Absence form.

If you are taking your child out of the country for longer than 10 days, school will also require copies of flight tickets, both leaving England and arriving back into England, and an address where your child will be staying.

We realise that sometimes families may need to visit family overseas at short notice. We will still require a Leave of Absence form to be completed, flight tickets and address where the child will be staying.

In addition, we understand that children with Special Educational Needs may need to attend medical appointments more frequently and these will be authorised, however we would still ask that school are informed of these prior to attending.

It is the right of a child to receive an education and school attendance is crucial for children's progress of learning. Attendance is closely monitored at school and if there is an issue Ladywood's Attendance lead may be in touch to offer support or strategies.

If your child is off school for any reason please get in touch with the office to let them know the reasons. It is important we have a full picture of children's attendance throughout the year.

Internet Safety

At National Online Safety we believe in empowering parents, carers and trusted adults with the information they need to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one platform of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

There's a very good chance you've heard of Minecraft. The block building phenomenon is, arguably, the most beloved video game of all time which has managed to maintain its popularity since its first release back in 2011. Nine years later, it still has a huge userbase of 112 million people playing the game every month. Accessible to those 7+, Minecraft can be a gateway into a world of learning and exploration which encourages players to use their imagination to build three-dimensional worlds with virtual building blocks. While Minecraft is considered relatively safe generally speaking, there are some safety precautions parents may want to consider before allowing their children loose on the game.

What parents need to know about MINECRAFT

OPEN TO HACKING

Hackers can be a real problem in any online game, including Minecraft. Some individuals can access other people's games to disrupt their play time, or even worse, access private details about players such as their names, email addresses, dates of birth and so on. It would be incredibly rare and unfortunate to encounter a player like this, but it does happen and must be taken as a serious risk.

CONTACT WITH STRANGERS

Most players aged 7 and over will be able to play the game comfortably and, whilst creating an account does ask you to input your date of birth for confirmation, there's no way to check if the information is correct nor to check someone's real identity. This could mean that children younger than 7 could access the game. However, what is more concerning is that adults pretending to be children could theoretically be using false information to access the game and be interacting with your child.

RISK OF GRIEFING

Griefing is when someone purposely upsets another player during the game. This can be done by ruining somebody's creation or generally doing something to spoil someone's gameplay and can essentially amount to a form of cyberbullying. In open servers, or even private ones among friends, it can be difficult to keep track of who's saying what, and an innocent comment in one person's eyes could be seen as bullying by somebody else. Stealing supplies, destroying things that take hours to build and harassing innocent players can all be commonplace if care isn't taken.

ADDICTIVE NATURE

Minecraft can be an incredibly exciting game but it can also be very addictive. Too much time on the game could impact on your child's behaviour, causing them to become irritable or angry when being asked to stop playing. This might suggest it might be time to enforce some time away from the game. Addictive behaviour can be compounded at a young age and encouraging gaming in moderation is always recommended.

'SCARY' CHARACTERS FOR YOUNGER GAMERS

For the most part, Minecraft is not a scary game. Despite this, there are certain characters in the game that younger children in particular may find frightening. Creepers, zombies and various other 'baddies' can be commonplace in some parts of the game and young minds may find it difficult to disassociate them from real life once they switch off the game.

Safety Tips For Parents

BLOCK STRANGERS AND UNWANTED CONTACT

Despite the fact that private messages can no longer be sent in the game, strangers may still attempt to interact with your child. From the pause menu, players can block chat and friend requests from others in the game. This causes any profanities, email addresses and phone numbers to become automatically blocked, meaning it's harder for people you don't know to potentially contact your child.

LEARN FROM YOUTUBERS / TWITCH STREAMERS

There are a lot of Minecraft focused YouTubers and Twitch Streamers that offer a huge variety of fun, engaging content. Many of them focus on making videos specifically for younger audiences, which don't include bad language or anything scary. If you're unsure about the game, check out some of the biggest streamers and more importantly, ask who your children like. This will help you to understand what the game is about and also make sure that your children are watching age-appropriate content online.

PLAY IN CREATIVE OR PEACEFUL MODES

Playing the game on Creative or Peaceful mode ensures that the experience is strictly safe. Peaceful mode allows children to explore with friends without having the survival element of normal Minecraft, while Creative mode allows imaginations to run wild with unlimited resources, encouraging creation of vast, personalised worlds. There really are no limits as to what can be accomplished and getting involved yourself can make it a great way to bond with your child and give you a long-term project to complete with them.

MONITOR GAME TIME

Being able to play on a wide variety of platforms can be beneficial however it can also make it more difficult to put the game down. Play time should be monitored and it's always a good idea to talk to your child if you feel they are spending too much time on the game or showing signs of addictive behaviour.

CREATE A PRIVATE SERVER

The best way to avoid unwanted strangers or griefers in a server is to simply create your own. Private servers do exactly what they say on the tin by offering a safe, secure place for children to play and create with their friends, free from outside interference. They (and you) control who is allowed in the server and what kind of things they can do in it, making it the closest thing Minecraft offers to parental controls.

LEARN TO PLAY YOURSELF

Minecraft is an incredibly easy game to pick up and play. Furthermore, it doesn't require an expensive console or computer, with versions available for smartphones and tablets. Learning to play yourself and playing alongside your child is the best way to understand the game and will help to put your mind at ease in respect of what your child is viewing and who they may be interacting with.

CREATE SERVER WHITELISTS

Usernames you know to be safe, like your child's friends or relatives, can have their accounts whitelisted as safe. Essentially, this means that server moderators can create a community made up of people they know to be friendly and children will only be playing alongside people both they and you know, reducing any risk of contact with strangers or experiencing griefing.

All schools are expected to adhere to this guidance from The Community Infection Prevention and Control Team.

Many thanks in anticipation of your support

Could we please request that parents who drop/collect their child by car, ensure when parking that you do not block other cars in, and also that you do not park in a Masefield School parking place.

Thank you for your co-operation.

However, we appreciate that there may be times that you feel you need to speak to someone in person or urgently and the office team are always available and welcome calls from parents/carers.

Appointments

If your child has an upcoming appointment, could we please ask that you notify school in advance of when the appointment is taking place. Could a copy of the appointment letter also be sent to school prior to the appointment.

Thank you for your co-operation.

Contact Information

Please ensure that contact details and medical information for your child are up-to-date. If you are unsure please contact the main office on 01204 333400.

Could we please ask that parents keep their phone switched on throughout the day so that we are able to make contact with you if needed. Thank you.

Good Attendance Matters

At Ladywood we provide a safe learning environment which encourages all pupils to attend and be punctual whatever their level of ability or specific needs. We pride ourselves on high standards of pupil attendance and we expect that all children will attend school as long as they are fit and well enough to do so in line with the expectations of 380 half days (190 full days) for an academic year.

A child's attendance at school is the responsibility of parents/carers. Ladywood School will continue to actively work with parents/carers to encourage a regular pattern of attendance is maintained to ensure our children:

- Benefit from the educational opportunities provided at Ladywood
- Experience a broad and balanced creative curriculum
- Build on their learning experiences to achieve their full potential
- Develop their social and personal skills
- Promote children's welfare and safeguarding, failing to attend school on a regular basis will be considered as a safeguarding matter
- Have their legal entitlement to education; ensuring regular attendance at school is a legal responsibility and permitting
- Absence from school without a good reason creates an offence in law

The Government have brought out new guidelines that requires schools to ensure all children attend well. This includes:

- Attendance meetings if attendance falls below acceptable levels
- Daily contact when your child is absent
- A requirement to show proof of medical appointment
- Door stop visits

TERM TIME HOLIDAYS

As a school we understand that our children sometimes need to go on holiday when it is quieter rather than during the main holidays when it is very busy. We ask that you put in a holiday request form and seek permission in order for this to be authorised.
