Our approach to Maths

At Ladywood, we support the learning of maths through our purpose written schemes of work for Number and Maths Topic. This ensures that every child follows a highly personalised curriculum, using their individual scheme of work and targets to ensuring that all pupils are given the opportunity to build upon developing mathematical skills.

We teach Maths Number skills consistently throughout the year and focus on more specific Maths Topics each half term.

As well as a more specific Maths Topic, Money and Time skills are threaded throughout teaching and learning in each half term.

	Autumn 1		Autumn 2		Spring 1		Spring 2		Summer 1		Summer 2	
Year 1	Me, My Friends and I		This Little Light of Mine		If You're Happy and you know it		Wild World		I'll Huff and I'll puff		Let it Grow	
	Statistics	Length	Capacity	Weight	Shape	Time	Statistics	Weight	Shape	Money	Length	Capacity
Year 2	Helping Hands		Celebrate Good Times		Super Me!		Circle of Life		Where in the World?		Imagination Station	
	Capacity	Statistics	Shape	Length	Weight	Money	Length	Statistics	Capacity	Time	Shape	Weight
Year 3	We Like to Move It, Move It		Curious Creators		Mad as a Hatter		Brilliant Bolton		Feel the Force		Friends Help Us Grow	
	Length	Time	Weight	Shape	Capacity	Length	Statistics	Money	Weight	Statistics	Shape	Capacity
Year 4	I am feeling…		Home is Where the Heart Is		The Choice is Yours		All Around the World		Staying Alive		Read All About It	
	Statistics	Weight	Length	Capacity	Shape	Money	Shape	Capacity	Time	Length	Statistics	Weight
Year 5	Looking Back		Shine A Light on Me		Ready, Steady		Time Travellers		Branching Out		Opposites Attract	
	Length	Shape	Capacity	Statistics	Weight	Money	Shape	Time	Statistics	Weight	Capacity	Length
Year 6	Guess Who		Spark your Curiosity		Eco Heroes		Walk like an Egyptian		Back to the Future		Rumble and Grumble	
	Capacity	Time	Shape	Weight	Statistics	Length	Weight	Money	Shape	Capacity	Length	Statistics
