PRIMARY PGCE SEND

INSPIRE TEACHING

Ladywood School has partnered with the University of Cumbria to deliver a Primary PGCE based at its school in Bolton with teaching placements across local schools.

This school-based course leads to Qualified Teacher Status (QTS), enabling graduates to pursue a rewarding career in education. Trainees will learn in the classroom alongside experienced teachers, gaining practical skills and the latest best practice, complemented by specialist insight and academic support from university lecturers.

If you are a graduate with a passion for education and are ready for an exciting challenge, contact us today.
